

FAIRFAX COUNTY POLICE DEPARTMENT

ACTIVITY REPORT

MARCH 26, 2010

ACTIVITIES REPORTED THROUGH MARCH 24, 2010

PUBLIC INFORMATION OFFICE -- 703-246-2253

There are three sections in this report: Section I: MAJOR INCIDENTS; Section II: PROPERTY CRIMES; and, Section III: ANIMAL RELATED INCIDENTS. Sections are appropriately identified. Within the sections, incidents are organized by station, then by type of offense. They are listed alphabetically by street address.

Addresses shown indicate blocks and not specific locations. Thus an entry showing Chain Bridge Road 4100 would mean the 4100 *block* of Chain Bridge Road, not the address 4100 Chain Bridge Road.

An asterisk (*) before an item indicates that a news release was distributed on that offense.

MOTOR CARRIER SAFETY INSPECTIONS: * Fairfax County Police officers conducted comprehensive truck safety inspections on Tuesday, March 23 in the Tyson's Corner area. With a greater number of large trucks and commercial vehicles working on construction projects such as the HOT lanes and Dulles Toll Road, proper attention to safety and vehicle maintenance is crucial to keeping traffic moving safely and freely. Officers selected this location in an effort to bring attention to the importance of motor carrier safety. Properly secured loads and up-to-date equipment and licensure are critical components to keeping trucks moving in and out of the corridor.

Police grounded half of the trucks they inspected at the comprehensive inspection, citing 80 safety and equipment violations. Out of 18 trucks checked, 9 were placed out-of-service. Commercial motor carrier officers focused on construction vehicles throughout the morning, from 7 until 11:30 a.m., at a vacant lot near Anderson Road and Route 123. They found a variety of infractions, including: faulty brakes, flat tires, steering mechanism problems, a cracked truck frame, and one driver who possessed marijuana while driving a commercial motor vehicle.
